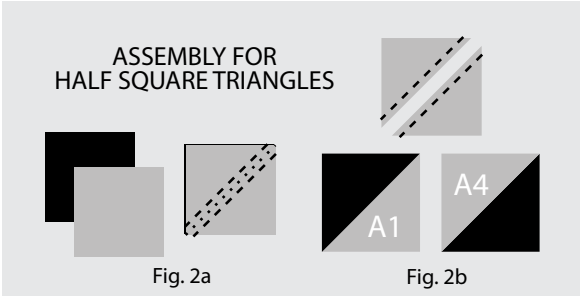
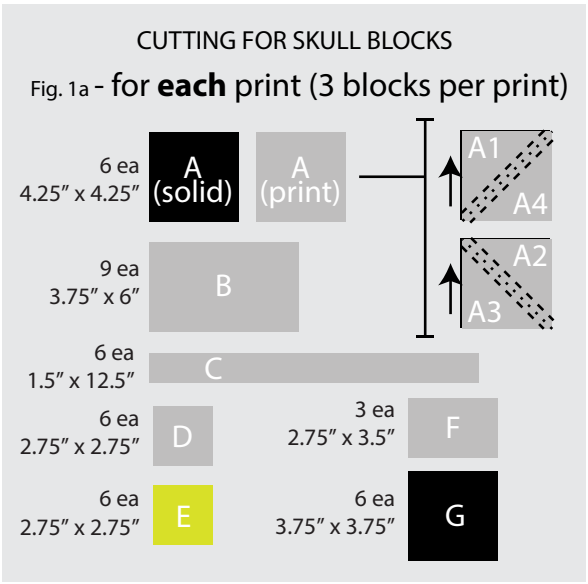
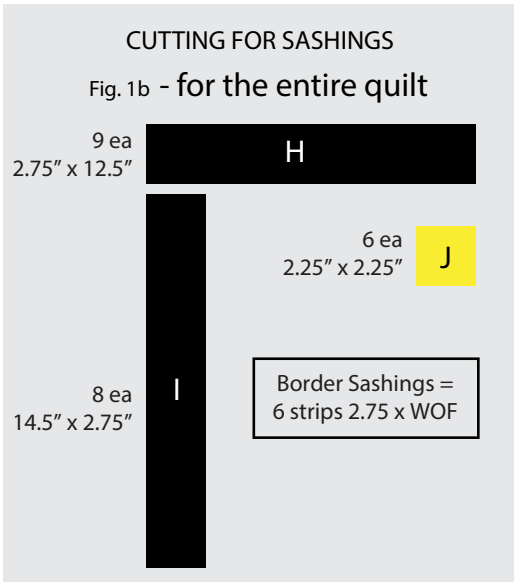
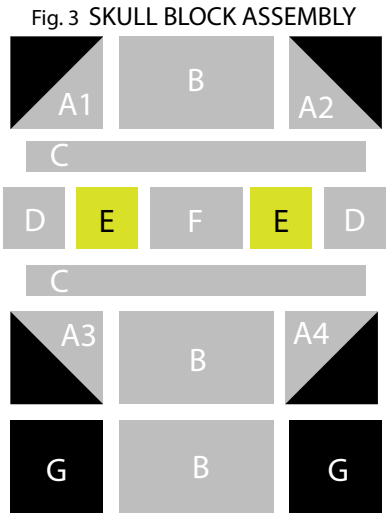
QUILT SIZE: 46" x 66"
SKULL BLOCK SIZE: 12.5 x 14.5 (without sashing)







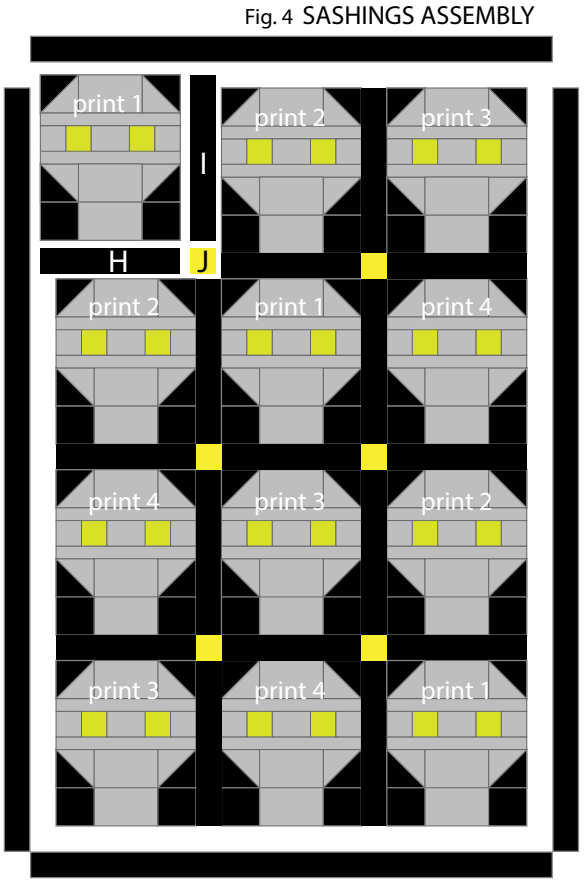


① Cut fabrics for skull block for each of the 4 - Dem Bones prints (Fig. 1a). Cut fabrics for sashings (Fig. 1b).

② Lay A fabric print over A fabric solid. Using a ruler draw a line with a pencil from one corner to the other. Stitch along both sides of the pencil line using a ¼" seam allowance. (Fig. 2a)

③ Cut down the center of the pencil line with scissors or a rotary cutter. Square up the block and trim to 3.75" x 3.75". Press the seams open. Trim corners flush with square. (Fig. 2b)

④ Assemble skull block working in rows across from left to right. Then piece rows from top to bottom. (Fig. 3) * When making the "A" half square triangle blocks using a directional fabric, note the positioning in Fig. 1a and Fig. 3.

⑤ Add all sashings starting with the individual blocks. Then piece the blocks. Add surrounding border sashing, joining strips when needed. (Fig. 4)


⑥ Layer the quilt back, batting, and the quilt top. Baste the layers together. Quilt as desired, removing the basting as you go. Bind to finish!
