cut out and tape this edge underneath the main body of this pattern piece matching the dotted line

Directions

1. Print at 100% on letter size paper
2. Cut out the spacer and tape to the dotted line as noted
3. Place spacer edge on fold of fabric and cut 2 pieces for front and back
4. With right sides together, pin and stitch 1/4" around starting and stopping at the sewing mark
5. Snip any corners for easing or to reduce bulk, if necessary
6. Turn inside out through opening and push edges out and press along seam making sure to fold under the opening edges, as well
7. Topstitch 1/8" from edge all the way around

Add the spacer above. matching dotted lines.
